2. Service Bundles: All cataracts (CPT's 66982 and 66984) are billed separately. Blepharoplasty (CPT 15821-15823)and Ptosis (CPT 67904) are billed together.
3. We shall provide timely and accurate responses to all parties regarding good faith estimates and requests for itemized bills. This will be done within 7 business days of the request.
- a. Pre-registration shall be considered a request for a good faith estimate of the reasonably anticipated charges for that patient's condition. The estimate may be based upon the estimated average payment for the patient's specific service or service bundle unless the patient requires a more personalized estimate. This estimate shall include:
 - a. Information advising the requestor the estimate is based on an average cost for the patient's specific service or state defined service bundle.
 - b. Guidance informing the requestor to contact their insurance carrier or HMO for anticipated cost-sharing responsibilities.
 - c. A statement advising the requestor that the actual cost may exceed the estimate.
 - d. Our billing, collections and financial assistance policies, including details on how to request financial assistance, and all financial assistance options (Care Credit) offered by the center.
 - e. Facility fees (none)
 - f. We shall identify any optional non-covered services allowing the patient to decline.
 - g. Anesthesia of Indian River (Call Periop- Mon-Fri 8:30am-3:30pm (877) 565-6865) is the only provider that bills separately. They take all insurances except VA, cash price is \$150 per eye, paid upfront to Anesthesia of Indian River, Inc.
 - h. The procedure or service you are having maybe less at another facility or other health care setting.
 - i. We offer a personalized estimate upon request. Please request in writing.

- j. Your personalized estimate will take into account your current physical condition, diet, and the provider performing the service.
- k. We shall provide the patient an itemized statement or bill upon request. We shall provide this within 7 days of a verbal or written request to the billing department. This itemized bill will include:
1. A description of the individual charges by date, identifying each procedure, test., medication, or therapy given, and any equipment or supplies billed.
 2. A description of any additional fees, if applicable.
 3. Identification of services and providers who bill separately.
 4. Our contact for any questions or disputes is Marc Lakin, Billing Manager. Phone is 772-589-8111 ext 114. Fax is 772-581-8450.
 5. Any subsequent bill will clearly designate any changes or payments made from the original bill.
4. Any services that are recommended but not required will be presented to the patient as optional prior to any non-emergency procedures being rendered.
5. We shall educate the public by directing to the information given here and any web resources that are available, please request this information in writing.
