

Certificate of Membership

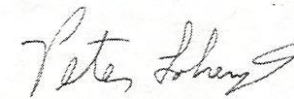

Florida Society of
FSASC
Ambulatory Surgical Centers

Riverside Surgery Center
Sebastian, FL

Having fulfilled the requirements as set forth by this society, this company is hereby recognized as a member and is entitled to all the rights and privileges thereof.

The Florida Society of Ambulatory Surgical Centers is dedicated to pursuing medical, legal, nursing and patient care issues impacting the citizens and ambulatory surgery centers in the State of Florida. FSASC's goal is to provide a strong, unified voice on issues of concern to ambulatory surgery centers. FSASC supports the growth of ambulatory surgery centers and works to promote excellence in outpatient care with a commitment to access, quality, and cost containment.

In Witness we set our hand this day: *11/4/2009*

Peter Lohrengel
FSASC Executive Director
